

INVITATION – ABIAL

DATE: Wednesday, May 30th, 2018
VENUE: Cercle Munster (5-7 rue Munster, L-2160 Luxembourg)
TIME: 6.00 pm – 7.30 pm (registration and welcome cocktail as from 5.30 pm)

ABIAL has pleasure in inviting you to join a discussion on “**Taxation in 2018 and beyond – challenges and opportunities**”. Our main speaker is **Nick Parker, President of ICAEW**, and Tax Partner at RSM (UK).

ICAEW has this year advocated and fostered a debate on tax policy for the future – asking questions that may be too “brave” and long term for politicians to want to address. Although some themes are most relevant only in the UK, others – such as whether tax policy can moderate house price increases and stimulate supply on the market - resonate strongly in Luxembourg. Subjects such as the effects of digitalisation – not just on a country’s tax revenues, but also on making tax compliance less time-consuming, and on deterring tax evasion are also to the fore. And lastly, how can we, as accountants, help to shape, broaden and improve the quality of the public debate on tax?

ABIAL is delighted to welcome **Nick Parker, President of ICAEW**, to speak on these topics. Our talk will take the form of a debate, moderated by ABIAL Committee member and PwC Luxembourg’s Tax Technical Expert, David Roach. The discussion will last beyond an hour, and then follow with an opportunity for our audience to raise more points.

The cost of the event (including cocktail) is:

EUR **15** for Members

EUR **20** for Guests (non-members of ABIAL) and

FREE for the first 5 students of UK or Irish Institutes, on a first come and first served basis.
